vices

The attorneys at Curran Law Firm recognize the unique legal issues that members of the lesbian, gay, bisexual, and transgender communities face. We represent LGBT clients throughout Western Washington on a wide range of issues.

Among the areas that Curran attorney can assist LGBT clients with include various estate planning, real estate, and business issues, as well as matters affecting LGBT families specifically. Our estate planning department helps with the creation of wills, trusts and other estate planning documents, and advises on wider issues affecting our clients' wishes for the future. Our family law department can help design agreements to protect children and the family's assets through community property and separate property agreements. When challenges arise, our family law department can also help LGBT families with divorces, separations, establishing and modifying a parenting plan, establishing child support, and petitioning for a step-parent or second-parent adoption.

The lawyers at the Curran Law Firm are committed to protecting and advising members of the LGBT community in a respectful, sensitive, and affirming manner.
